

The KiCKS Scholarship program was developed to lower the cost of recreational opportunities for children whose families have demonstrated a financial need. Applications are accepted and reviewed quarterly:

- a. July 15-Aug 15 for classes beginning September-November
 - b. Oct 15-Nov 15 for classes beginning December-February
 - c. Jan 15-Feb 15 for classes beginning March-May
 - d. Apr 15-May 15 for classes beginning June-August
- Scholarship amounts are based on family size and total family income. Families are defined as parent(s)/guardian(s) and dependents living at the same address. Employers may be contacted to verify income declared on application.
 - Completing a Youth Athletic Scholarship application **DOES NOT** register a child for a program. You will be required to complete a separate registration form for the activities in which you are interested in having your child participate.
 - Participants are required to attend a minimum of 75% of scheduled practices, lessons, or games. Failure to meet attendance requirements and/or overdue payments may result in non-renewal of the scholarship. Please note that transportation is not provided.
 - KiCKS funding is dependent on the generosity of donors in our community. Therefore, the number of scholarships available each quarter may vary based on our resources.

Confidentiality - KiCKS will use the information on the application to decide if your child qualifies to receive a scholarship for eligible activities. Confidentiality will be maintained at all times. Applicants are guaranteed that personal finances will not be disclosed outside of the application committee.
